Dear Madam Secretary:

You will recall that Admiral Turner, in his letter to you of 28 August, expressed his intention to keep you informed of major actions taken by the PRC(I) with regard to Intelligence Priorities. He also attached a copy of the National Intelligence Topics (NITs) issued by the PRC(I) at that time.

To keep you informed of current developments with respect to the NITs, I am enclosing a copy showing changes being proposed to update the questions for reissue in the near future. Suggested revisions are indicated by underlining in the right hand column.

We would welcome any comments or suggestions you may wish to contribute to the current review of the NITs.
